## The Get-Out-There SUV.

Equal parts sports and utility.

Well-equipped, sharp-looking, and an impressively athletic CHOICE.

**TOYOTA**

# RAV4 LE 2WD Hybrid

## 2.5 L, 4-Cylinder Atkinson Cycle

### 200 HP hybrid electric motor

- Power windows & electric power steering
- Smart entry & smart start
- Anti-lock Brake System (ABS) with EBD
- 7 SRS airbags
- Immobilizer system
- Radio, CD, USB, Bluetooth audio for wireless integration with 4 speakers
- Fabric seats & dual automatic air-conditioning
- Daytime running light
- 17" alloy wheels
- Automatic retractable mirrors
- Backup monitor & 3 mode switch (EV mode, ECO mode, & Sport)
- Front & rear sensors
- Roof rails

### Power Rear Gate

This gate comes equipped with a system which automatically opens and closes the gate by pressing a button on the dashboard, a button on the rear gate, or on the wireless remote.

### Back Monitor

Supports smooth reversing operations when parking at a 90-degree angle or parallel parking. Showing the rear view taken by a camera integrated into the rear of the vehicle on the display.

### Active Safety Features

Anti-skid Braking System (ABS) to help ensure that you have steering control while braking. Brake Assist (BA) to enhance emergency braking if necessary.

### 7 SRS Airbags

Supplemental Restraint System (SRS) Airbag. The SRS Airbag System is designed to supplement the seatbelt system and improve occupant protection in certain types of crashes.

### Hill-start Assist Control

This technology is invaluable when pulling away on steep slopes. It helps to prevent roll back by momentarily holding the car when you release the brake, giving you time to engage gear and pull away safely.

### Hybrid Technology

Toyota's Hybrid Vehicles (HV) are eco-cars with low fuel consumption. By efficiently switching between the two power sources, the vehicle combines high fuel efficiency with a comfortable driving style.
