THE NEW TOYOTA YARIS

The new Yaris Fastback is a car styled to escape the routine.

The new Toyota Yaris offers a powerful and elegant expression that will captivate all users. This new generation offers a high level of functionality, comfort, and design. It is a vehicle created to help the user achieve an exciting and daring lifestyle in anticipation of experiencing significant changes to come.

Original Price: AWG 47,800

INTERIOR

STYLED FOR COMFORT

Experience quality style as the Yaris welcomes you in with new interior trims designed for premium comfort. It is comfortable and with fine finishes that maintain the premise of Yaris to deliver “value beyond belief”.

FUNCTION

STYLED FOR FUNCTION

Enjoy up-to-date features of the Yaris such as Apple Car play and Android Auto for a more customizable and convenient drive.

EXTERIOR

STYLED FOR LOOKS

Let the Yaris take you through a fun yet luxurious drive that's styled for your style. Yaris makes a strong first impression with a head-turning front grille. The low black grille perfectly complements the upper grille and seamlessly integrates with the front headlights.
