EXTERIOR

*THE PERFECT CROSS BETWEEN
LOOKING GOOD AND FEELING
EVEN BETTER*

REFLECTING STATE-OF-THE-ART DESIGN

The exterior design uniquely stands out with its stylish and sporty feel yet unveils the sense of luxury in combination with toughness. The car comes with a power moonroof, roof rack, LED headlights and taillights, as well as 18-inch alloy wheels.

Modern, elegant and assertively styled, the front of the Corolla Cross features a distinctive black grille with granite grey accents, flanked by striking LED headlamps with Daytime Running Lights and an Auto High Beam function. These sit above the front fog lamps that are integrated into the front apron.

Rear fog lamps are available on selected models, with the muscular black tones extending to the roof rails. Viewed from the side, the Corolla Cross features noticeable fender flares, creating a sense of width, and complementing the sleek glasshouse and C-pillar trim.
