Power Rear Gate: This gate comes equipped with a system which automatically opens and closes the gate by pressing A button on the dashboard, a button on the rear gate or on the wireless remote.

Back Monitor: Supports smooth reversing operations when parking at a 90-degree angle or parallel parking, Showing the rear view taken by a camera integrated into the rear of the vehicle on the display.

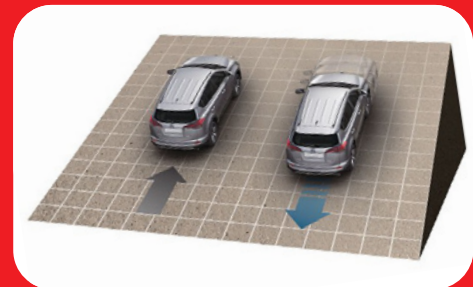

Enjoyment in every drive: enjoy music and more on touch with the RAV's advanced entertainment system. Equipped with a touch screen, built-in steering switches, 6 speakers, Bluetooth, hands-free calling.

In the know: the cool blue glow of RAV4's instrument cluster makes it easy to read the centrally located speedometer, tachometer and Multi-Information Display.

Active Safety Features: Anti-skid Braking System (ABS) to help ensure that you have steering control while braking. Brake Assist (BA) to enhance emergency braking if necessary.

Hill-start Assist Control (HAC): Is standard on all RAV4 models. This technology is invaluable when pulling away on steep slopes. It helps to prevent roll back by momentarily holding the car when you release the brake, giving you time to engage gear and pull away safely.

Airbags: The RAV4 is equipped with SRS driver airbag:

SRS front driver and passenger airbag,
SRS knee airbag (driver's seat),
SRS side airbag (front seat) and
SRS curtain shield airbags (front and rear seats).
