Toyota Camry Hybrid XLE

Powertrain

- Hybrid Engine: 2.5L 4-Cylinder Engine
- Hybrid system net power: 200 hp (149 kW)
- 40 city/38 hwy/40 combined est. mpg
- Electronically controlled Continuously Variable Transmission (ECVT), EV and ECO Models

Exterior Features

- LED Daytime Running Lights (DRL)
- 17-in. alloy wheels with super chrome paint
- Chrome-tipped exhaust

Interior Features

- Dual zone automatic climate control with rear-seat vents
- Leather-trimmed multi-stage heated front seats;
- 8-way power-adjustable driver's seat with power lumbar support; 4-way power adjustable front passenger seat
- Leather-trimmed tilt/telescopic 3-spoke steering wheel with Bluetooth® hands-free phone and audio controls
- Auto-dimming rearview mirror with compass

First-Class Seating: In Camry, rear-seat comfort is just as important as front-seat comfort, so the shape of front seats are designed to allow for additional knee space for rear-seat passengers.

Eco Drive Level Display: Camry Hybrid's gauges provide you with all the feedback you need to drive efficiently, which helps you tailor your driving habits accordingly.

Available Smart Key System: When you approach Camry with the Smart Key fob in your pocket or purse, the interior illuminates automatically; the doors unlock when you touch either front door handle; the trunk opens with the touch of its handle; and the engine starts with the push of a button.

Available Backup Camera: When backing up, the area behind Camry that's visible to the camera is displayed on the touch-screen of the audio system's display.

Multi-Information Display Screen

Keep track of the driving information you use, easy to view from any angle, this customizable full-color screen shows features like incoming call information, available turn-by-turn navigation

Qi-Compatible Wireless Smartphone Charging:

No wires. No mess. Total convenience. Available on Camry, the wireless charging system lets you simply place your Qi-compatible device on the nontlip surface to charge up wirelessly
